

FISCAL NOTE

HB 3127 - SB 3165

February 17, 2000

SUMMARY OF BILL: Defines a *transient food service* as one operating in different locations for not more than five days and requires transient food service vendors to pay a \$50 annual fee to the Department of Health.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumes any change in expenditures or revenues to the Department of Health would be minimal, since current law allows mobile food units which are essentially the same, with the same permit fee as the transient food units described in the bill.
